## Renew

Welcome to your personal renaissance.

Renaissant offers a comprehensive range of therapeutic products and advice, and non-surgical services and treatments.

Our team of experienced doctors and nurses have an in-depth understanding of the medical issues behind each skin condition, enabling us to safely correct genetic imperfections, and reverse sun, age or environmental damage.

We start by gaining a thorough understanding of your personal therapeutic goals. After a careful consultation we'll explain the most effective treatment options for your consideration. Using only the most advanced, clinically proven techniques, equipment and skincare, we'll deliver you true aesthetic health.

Our leading treatments and exceptional care will inspire you with what's possible.

Beautiful skin radiates wellness. It glows with a natural freshness that defies the years and creates new possibilities. Renaissant can help you achieve your most beautiful skin. We fuse art and science to deliver aesthetic results that go far beyond a beauty spa. We'll take you on a personal, guided journey to uncover your own vibrant, elegant confidence.

## Skin

### Acne treatments

We offer a range of acne treatments to help overcome this common skin condition. After a thorough skin assessment, we'll tailor the optimal treatment plan for you.

### Chemical peels

Our chemical peels range from light rejuvenation for instantly reduced signs of aging, through to advanced corrective peels, to effectively treat complex skin concerns.

### Clinical-strength skincare

Your medically trained specialist can prescribe clinical-strength skincare products that are proven to enhance skin health between treatments.

### Pigmentation treatments

Our pigmentation treatment options are delivered by qualified nurses and offer highly advanced corrective therapies for skin discolouration.

### Rosacea treatments

We can help you overcome rosacea by designing a tailored treatment plan that combines proven clinical therapies and prescribed clinical-strength skincare.

### Skin rejuvenation

These advanced non-surgical treatments rejuvenate the skin from the deep dermal layers through to the surface, diminishing the ageing process to achieve a visibly younger look and feel.

### Pelleve

This non-surgical treatment uses advanced radio frequency energy to reduce wrinkles and stimulate collagen, to give you younger and fresher looking skin.

## Body

### Hair removal

Unwanted hair can be swiftly and safely removed with Renaissance's advanced laser hair removal solutions. Through a series of treatments you can experience permanent hair removal and beautiful smooth skin.

### Sweat reduction treatments

Renaissant can help you overcome sweat related issues and leave you feeling confident and carefree, with the innovative miraDry® system that uses energy to target sweat and odour glands.

### Vein therapy

Renaissant's vein therapy uses laser treatment to safely and effectively remove smaller facial veins, spider veins or larger leg veins without bruising.

## Always You

Our focus is Always You. In every consultation and every treatment, your uniqueness will be respected and celebrated. Whatever your goals are, we'll guide and support you every step of the way. To start your journey to enhanced aesthetic health, book an initial consultation with one of our dedicated medical professionals.
